This is an agreement to rent an instrument, case, and bow owned by Korinthian Violins LLC on a month-to-month basis. This is not a purchase agreement or rent-to-own agreement. You can return the instrument at any time. We can require return of the instrument at any time.

Korinthian Violins LLC will provide strings and rosin and will service the equipment for normal use, all at no extra charge. We may require the instrument to be returned occasionally for routine service. Routine service keeps the instrument in its best condition.

You can exchange the instrument and case and bow for a comparable rental instrument/case/bow (including a different size) in inventory at any time. Students exchange instruments as they grow and as they progress.

The first month is a trial month. A \$20 refundable security deposit is due today. We don't charge you rental fees during the first month. After that, you pay the rental fees every three months in advance. For example, at the beginning of the second month, you pay for the second, third, and fourth months. The State of Wisconsin requires us to collect sales tax of 0.56% on all rental fees. We will e-mail you a bill approximately two weeks before the due date.

When you return the instrument, you will receive your security deposit back, minus charges for any repairs that need to be made. In addition, within one week of return we will refund you for unused rental time. Our refund rate is \$5/week.

In the event of damage, theft, or loss, you owe the cost of repairs or replacement. Maximum liability is the "Replacement Cost Of Instrument", shown above. If you are unsure if the instrument is damaged, contact Korinthian Violins LLC immediately – damage gets worse (and much more expensive) with time.

If you fail to return the rental items immediately upon request, you agree to pay all costs incurred by Korinthian Violins LLC to secure the payment and return of the items.

You agree to indemnify and hold harmless Korinthian Violins LLC and its owners, officers, or employees from any liability of claim or action resulting from or arising out of the use of the rental instrument.
